

Activity 1: Search and find

Summer, sun and play! Roly-Poly and her friends are having a picnic at the park's swimming pool. Can you spot the following?

1. Round treats: 5 cupcakes, 4 doughnuts, 3 cucumber slices, 2 pizza wheels and 1 lollipop.
2. Sight words: Eat - Round - Roll.
3. A paper plate.
4. 5 other round objects.
5. 1 oval-shaped object
6. Where is Camo, the chameleon?

BONUS!

Let the little ones continue to show, tell and use their imagination. Wiggle, giggle and be creative - shape your own wonderland!

I wonder...

- What is going on in the pool?
- What other round shapes can you see?
- Show us how all the shapes swim...
- What does it look like when you hop on one leg? Bounce up and down? Roll on the grass or carpet?
