

# Activity 1: Search and find

Lights, camera, activity! It's the final dress rehearsal for the Shape competition... Sandy needs to supercharge her shining performance. Can you spot the following?

1. Stars for her costume: 5 golden stars, 4 pink stars, 3 green stars, 2 purple stars and 1 yellow star.
2. Words for her song: Star - Sing - Shine.
3. A microphone.
4. 5 other star-shaped objects.
5. Where is Camo, the chameleon?

### BONUS!

Let the little ones continue to show, tell and use their imagination. Wiggle, giggle and be creative - shape your own wonderland!

I wonder...

- What is happening on stage?
- What other types of shapes can you spot?
- What other acts / items do you think those shapes will perform for the shape contest?  
Show us how...
- What song do you think Sandy Super Star will sing this time? What will that sound like?
- Which shape looks the funniest to you?
