

Activity 2:

Build your own shape show!

The characters of Shape Valley are ready for their next performance. What will they do? Who will the winner be? Choose your own characters, build your own show - we cannot wait to see!

Printables in your pack include:

- x1 A4 sheet stage (basic backdrop)
- x1 A4 sheet of characters and items

Instructions:

1. Print out both sheets.
2. Cut out the characters and items.
3. Paste them and build a new show!

Options:

- Cut out the characters and items to glue onto the stage.
- Alternatively, the characters can be printed on vinyl paper. These can then be cut out and used as stickers on the stage or elsewhere.
